85 WARRIAN

Kevin Dodge

To a fairly decent
tennis player and kid!
Good luck in the future

Robby Doot
'88

Kevin,
Thanks for helping to
make my 5th period
class a most enjoyable one.

True fulfillment is not deciding what we
want to do but discovering & following
the purpose for which God made us. Have
a real good summer. I will destroy you
in tennis.
Vrm.D

Motivated to a politically
whoose tennis player
coincide with mine. Stay
potent.

Ray

Kevin,
Good luck and best
wishes to your future.
Mike
Powell

Kevin,
To a good friend
I've known for awhile.
Never forget English with
Mrs. Rill or Science with
Mr. McKinnel. Good luck in the
future with whatever life
has to offer! Have a great
summer and I'll see you
at band camp (fun!).
Kathy '88

Kevin,
To a great friend I've
known for years. Keep up
your grades and remember
Mrs. Rill's English class.
Good luck in the future,
and hopefully I will see
you in the summer.

Daryl Mavely
P.S. We will have to get
together

Kevin, always remember
our Band's weeks.
Always remember
Glee Club and Twinkle
Keep on smiling and
your singing talent!

Your friend,
Best
Wishes Shawn
"86"

Hey! I've only known you for a few months I've gotten to know a lot about you. Don't worry everything I know about you I like, except when you tell me to shut up! I'll have you know the Bill of Rights gives everyone freedom of speech! (Ha! Ha!) Never forget the fun times we had in Glee Club (Super Twinkie!) Show Choir, (J.L. speeches) and of course Friendship. How could I forget musical practices. (It was nice while I lasted). Oh how could I forget unorganized I was! Never forget the fun times we had and the fun times I hope we will stay friends forever! I must say you have been one of the sweetest, kindest, and all around nice guys! This summer we definitely have to get together. Maybe Heather, Ken, and Caul's band will have a blast!! Keep up the great singing, piano, and of course tennis playing! Of course keep the great personality you have, and remember keep SMILIN'!

P.S.
When we go out this summer this can go to → Caul made me write this!

1985 WARRIAN

Warwick Senior High School

Lititz, Pennsylvania

Volume 29

On behalf of the administration and faculty at Warwick High School, I extend my appreciation to the Warwick Yearbook Staff for their many hours of hard work in producing this yearbook. The Warrian provides the administration, teachers, students, parents and community members with an opportunity to remember the highlights of the 1984-85 school year. This yearbook shows the many different activities, both in the classroom and extracurricular, which comprise a school year. I'm sure as this yearbook is read, the readers will both remember and share in the pride which has become a tradition at Warwick High School. This yearbook captures the true meaning of Warwick High School, people working together to provide a quality educational program.

Mr. Stephen A. Iovino
Principal

Picture this — if you will, fifty years from now. What will the typical Warwick High School student be like? What will high school life be like? And best of all — what will your life be like?

This query will be answered in your lifetime after you have spent a major portion of your career working towards your goals. The long hours of hard work, dedication and commitment, which is the price one must pay before reaching his goals, is often too much for most humans. Will you convey to your peers just how worthwhile the education you received at Warwick really was! And will you remember how diligently your teachers toiled to help you attain that grade of A, B, C, or even D!

These brief years of earnest endeavor and happy fellowships will surely afford you many pleasant life memories. The many friendships and the pleasureable recollections of these high school years will live with you forever.

In the years to come, your life will be a reflector to society, and what you have gained during your years in school will be a sum total of your experiences.

Your success in the future will be greatly determined by your actions of the past, honesty in your dealings, sincerity in your purpose and determination in your efforts.

As you enter a new era in your life, may the lessons of citizenship, fair play, sportsmanship and trustworthiness you have learned, help you surmount the more difficult times in the future.

My most sincere and best wishes are extended to each of you for happy and successful years to come.

Mr. Carl B. Kaufman
Assistant Principal

SPIRIT OF AMERICA:

Spot that sparkle! The brilliant sunshine played on the crowns that returning 1983 Queen, Beth Eidemiller, and newly crowned 1984 Queen, Cindy Hurst, wore proudly. The first runner-up was Kathy Lape, escorted by Ed Yohn. There was a tie between Kelly Longenecker, escorted by Andy Brubaker, and Kristy Mellott, escorted by Dave Greenly, for second runner-up. The girls were selected from the court of Sheri Beans, escorted by Mike Michael; Jo Beth Forney, escorted by Dave Sensenig; Janelle Mellinger, escorted by Scott Stauffer; Pam Richwine escorted by her brother, Jon Richwine; and Lisa White, escorted by Casey Belile. Underclass attendants were as follows: Junior, Toni Herr, escorted by Tim Hazlett; Sophomore, Julie Turano, escorted by Brett Weit; and Freshman, Amy Nuss, escorted by Eric Arcudi.

Top left: Runners-up Kelly Longenecker, Kathy Lape, and Kristy Mellott

Top right: Beth Eidemiller crowns newly elected Queen Cindy Hurst, who was escorted by Erik Schouten

Right: First row: Kelly Longenecker, Kristy Mellott, Pam Richwine, Lisa White, Jo Beth Forney **Second Row:** Cindy Hurst, Janelle Mellinger, Kathy Lape, Sheri Beans

HOMECOMING '84

What a day for a parade! On October 27th with temperatures in the eighties Homecoming 1984 was indeed memorable. The "Spirit of America" was evident in everything, from the "Spirit" of American Victory to the "spirit" of American competition. As the football team worked hard on their game, each class worked hard on its float. Long hours with paint and plywood were endured in various barns and garages all over Lititz. The Statue of Liberty was flown in from the New York Harbor, Betsy Ross was raised from the dead, along with John Paul Jones, and sand was shipped in from the coast of California. Each class reflected on the history of America or some part of American life. The Freshman float recreated historical moments: Betsy Ross's famous stitchery and an exploratory space flight. The Sophomore float boasted American apple pie, Benjamin Franklin's high-flying discovery, and the Lady of the harbor. The Junior float sailed smoothly along with actors bravely stating, as John Paul Jones had once done, "I have not yet begun to fight," in reference to the Comets. Bikini-clad beauties lounged on the hot American sand adoring the dashing surfers. "Surfin USA", the Senior float tied with the Junior float, "John Paul Jones", for third place. Second place was attained by the Sophomore float, "Historical Moments". The Freshman float deservedly captured the first place prize with "Betsy Ross". All in all, it was a day to remember!

Top left: first place float, Freshman. **Center:** second place float, Sophomore. **Bottom left:** tied for third, Junior. **Bottom right:** tied for third, Senior.

CATCH THAT WINNING SPIRIT!

October is the month of colors. Like salmon, the brightly ornamented leaves of the autumnal equinox spawn to the ground, covering the green of summer. In towns, cities, and hamlets across America, people gather for the last chance to congregate out of doors before winter tightens its grip upon the land. Parades, picnics, and parties are prevalent, but the Homecoming football game is the most popular social assemblage. Certainly, the clash that took place between the Warwick Warriors and the Penn Manor Comets on the fourth Saturday of October typifies the Homecoming annual.

Grosh Field at Warwick High School was ablaze with harvest time spirit. Adorned with red and black streamers, the gray bleachers remained august amidst the pageantry and spectacle of the game. And because Indian summer was yet lingering, the weather was hot and sunny, drying the multicolor leaves underfoot. The maidens of the Homecoming Court smiled and waved as they were chauffeured around the field by the convertibles of summer. Neat and trim, the football field looked as if it were going out on a date. Freshly shaven, every blade of grass was cut to perfection, and the white grid of the field was newly limed by industrious greenskeepers. The throngs of football fans hungrily awaited the opening kickoff. The game was ready to begin.

As the whistle blew, the Penn Manor kicker booted a high, lazy kick that safely landed into the arms of the Warwick returner. Then, the Warwick ball carrier ran into a shower of Comets. But as if invisible, the runner quickly emerged from the pack of opposing players and streaked toward the land of milk and honey, the end zone. He reached the coveted ground and held the ball up triumphantly as his teammates smothered him with joy. The tone of electrifying football was set and the gleeful fans settled in, luxuriating in the fervor.

But the opposing team was not to be daunted. After trailing six to nothing, the redoubtable Penn Manor team struck gold with a punt return for a touchdown. The Comet runner eluded the Warwick defense for fifty yards, taking the taste of victory away from the Warrior fans. However, just before halftime, the Warwick quarterback slipped into

Top: Here come the Warriors! **Center:** Hold those Comets! **Bottom:** Sideline Showoffs!

the endzone for another touchdown to make the score twelve to seven in favor of Warwick.

Although the halftime festivities kept the fans' attention, they were fidgeting impatiently, awaiting the balance of the game. When the teams finally reappeared, the action of the third quarter was kept at a minimum compared to the rest of the game. However, the dearth of activity must have been the lull before the storm because the fourth quarter was a flurry of excitement maintained at an intense plateau. Penn Manor drove the ball seventy-five yards to score a touchdown to put them ahead by one point. To the fans it seemed like the end, but the Warwick football team furiously tried to acquire the points that would make it a joyous Homecoming.

However, the rigid Penn Manor defense would not budge. Many times the Warwick offense moved close to the goal line, but could not score. With only one minute to play, the Warwick candle of hope flickered dangerously. But the resilient Warriors fought back once again. This time they were not to be denied. With ten seconds left, the Warriors scratched and clawed their way to the Penn Manor ten yard line. Quickly, the Warwick field goal unit scurried out onto the gridiron to attempt a thirty yard field goal. The center hiked the ball, and the place kicker booted the pigskin toward the goalposts. As the ball floated through the air, time stood still; breaths held. Miraculously, the ball inched between the goal posts for three points. There was joy in Mudville.

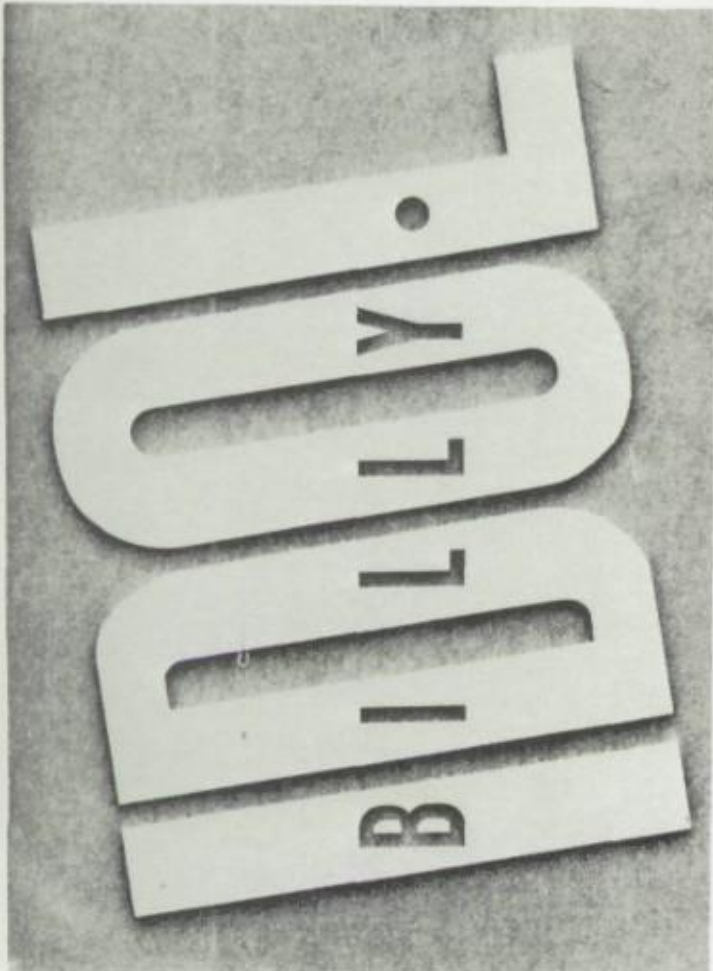

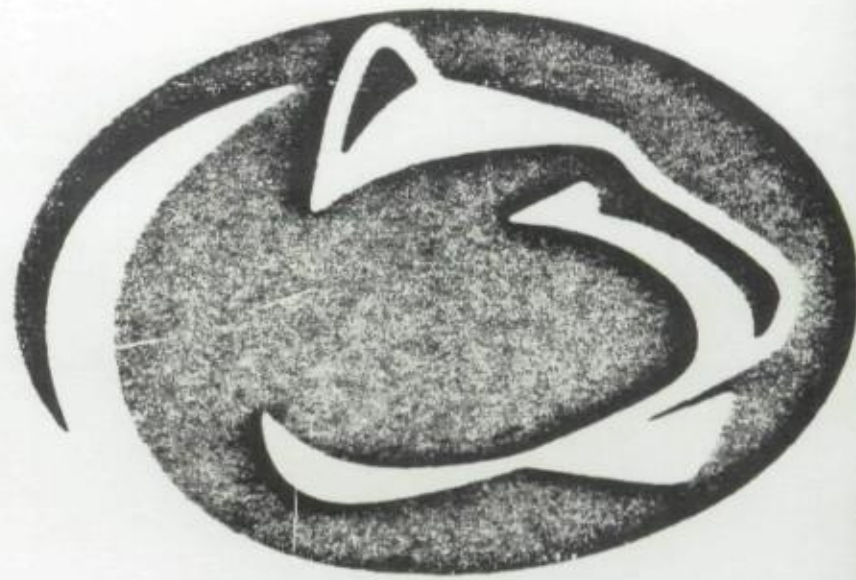

Chaos everywhere — it was pandemonium. Everybody from Warwick was jumping up and down, screaming, hugging, kissing, dancing, and singing. The people had come and quenched their thirst for football, and half left repleted. But even after the game fans left, the greying bleachers, barren field, and dying grass held the memories of the Homecoming game.

— Doug Williams

HARD HABIT TO BREAK

FOCUS ON . . .

. . . Ulrike

Ulrike Schmidt, known to everyone as Ricky, is a YFU student from West Germany. Ricky is staying with the Warren Weiss family in Lititz. When Ricky arrived she was surprised to see how friendly and open people are toward each other. She likes the idea that sixteen year olds are able to drive in America. German teenagers must be eighteen to obtain a license. The YFU program (Youth for Understanding) does not allow the foreign exchange students to drive during their stay. School districts do not exist in Ricky's homeland. The students are given the choice of which school they prefer to attend. A typical school week includes six days of school attendance. The second Saturday of every month is a vacation day for the students. Ricky is involved with the Glee Club, concert band, and orchestra. Her favorite foods are all the very fresh salads and fruits.

"With this short note I want to say "hello" and "thank you" to everybody in the Warwick High School. My stay for one year was a unique experience and was a positive and absolutely great one because of all the friendly, nice girls and boys and teachers here in school. My new friends helped me in all "strange" situations, and I'm very sure that I will never forget you, the teachers, and our very funny senior year."

— Ricky

. . . Yvonne

Yvonne Kruiswijk, an EFFS (Educational Foundation for Foreign Study) student from Holland, is staying with the Sheldon Murr family. Yvonne comments that the biggest differences between Holland and the United States are language and environment. The houses in America seem to be bigger and the Lititz community is cleaner and newer. Yvonne likes the after school activities but does not enjoy following the same schedule every day. Homework, especially English, presents Yvonne with the most trouble. Some of her favorite American foods include pizza and hamburgers. Yvonne's favorite activities include tennis, reading, and needlework.

"One year of high school in the United States; it sounded great. When the time got closer I wasn't sure anymore about myself. I didn't know what to expect of Lititz, school, and the people. But now I'm here and it's great. Everybody is so nice to me. The first time is sometimes hard, but I'm sure when it's June I will feel sorry to leave."

"I want to say hi to everybody who were (and are) my friends. I will always remember you, Warwick, and good, old Lititz. If you are ever in the neighborhood be sure to visit me." — Yvonne

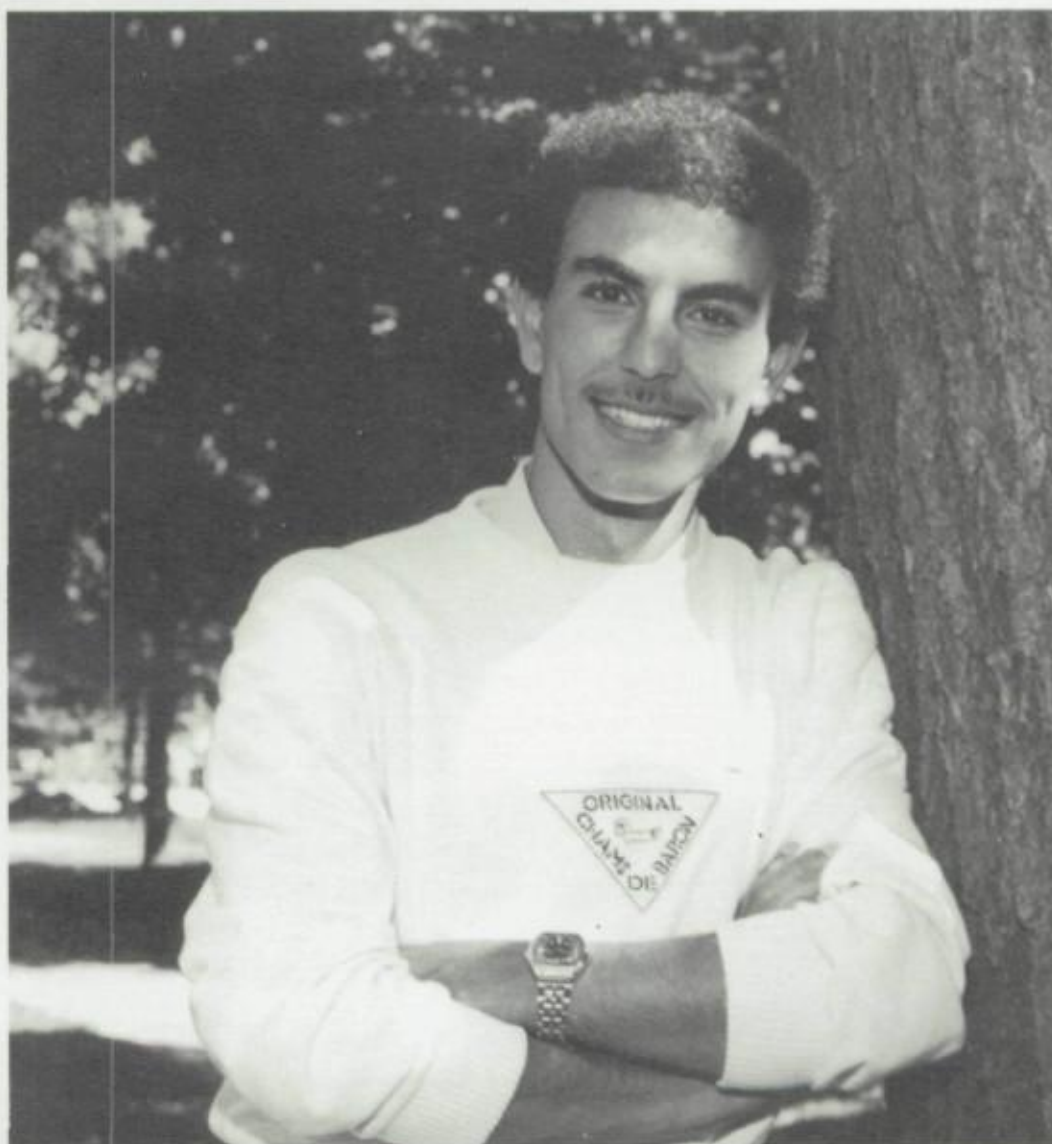

CLOSE UP OF . . .

. . . Mohammed

Mohammed Baoueb is visiting America with the AFS program and is staying with the Kenneth Boak family. Mohammed, from Tunisia, likes America because friendship is most important to Americans. He also thinks America is a very beautiful country and Lititz is a healthy town. Hamburgers, beef hot dogs, and cookies are among some of his favorite American foods. Mohammed commented that in Tunisia one must be twenty years old to drive. Being 19, he is waiting patiently to be able to drive because the AFS program will not allow him to do so, although he is of proper age. Volleyball and track are just two of the many sports in which Mohammed participates. In America, the students are fortunate that they must only attend five days of school a week. Mohammed, who graduated from his old school last year, had to attend school six days a week.

"I want to say that being in Warwick High School is a great thing for students who are there for knowledge. I'm happy to be with American students, and I'm glad to meet everyday a new friend, staff, or pupil." — Mohammed

. . . Björn

Björn Telenius, visiting Warwick from Finland, is part of the YFU program. He is staying with the Ronald Calhoun family. Björn enjoys all American food but lists stromboli as his favorite. He likes that Warwick students are able to choose which classes they want to take. In Finland, the students' classes are all required. He, however, does not especially enjoy study halls at Warwick. During his study halls in his hometown he is able to go home. Björn was expecting America to be much bigger. When he arrived, he was surprised to find that it is similar to Finland. Björn is involved in the Warwick Soccer Team.

"I would like to thank Warwick students and teachers for being very friendly and helpful to me. I have learned a lot of different things at Warwick and I am glad that I was placed in this school district. It has been rewarding and I'm sure the rest of my year will be as rewarding." — Björn

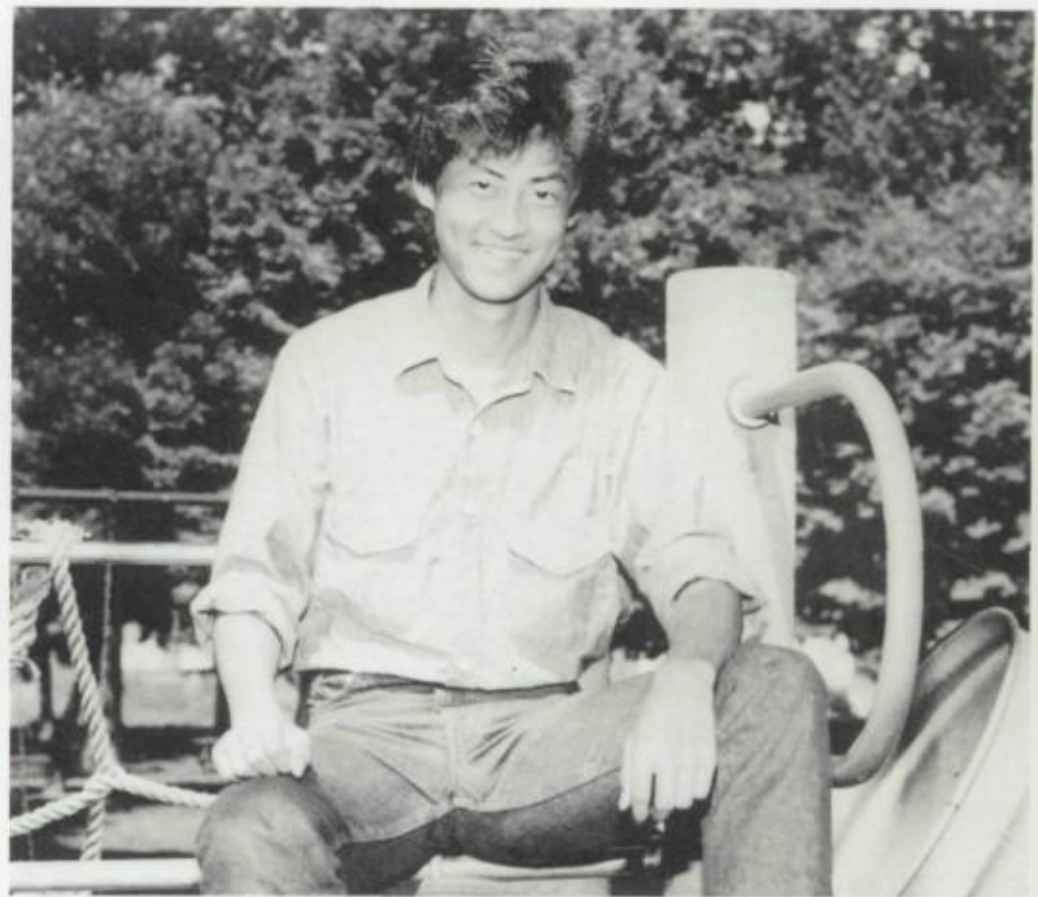

ZOOM IN ON . . .

. . . Jun

Jun Sato of Japan is living with the Craig Hess family. Jun, who is here with the YFU program, was surprised at the large size of America. He likes that our school system is not so strict and a weekly attendance only consists of five days. In Japan the students attend school six days a week. Jun enjoys playing soccer on the Warwick soccer team and during clubs. He has the most trouble with people who speak too fast. He, however, has no problem enjoying American food.

"In a word I am very happy to meet the Warwick students. They are very kind and friendly. I want to have a memory of this year in my life." — Jun.

ACTIVITIES

Kevin,
 So, another year
 has passed into the
 oblivion and yester-
 day. Oh well, its
 been fun, some-
 what, but next
 year will be great.
 "Lord God.?!?" ya,
 sounds good to
 me. Maybe I'll
 have a real
 car by then
 and I'll take you
 for a ride. Always
 remember, . . . no
 matter where you
 go, there you are.

Steve

BAND REACHES FOR A

"Bonsoir, Bonsoir. Here we are at the pride of San Tropez, the envy of the cabaret world, the jewel of the Riviera, only fun from here to the finale. Ladies and gentlemen, I beg you, open your eyes, you have arrived at La Cage Aux Folles!"

Is this band? Yes, this year Broadway came alive on the field for the Warwick High School Band with their rendition of the hit musical comedy, "La Cage Aux Folles." Through the diligent efforts of the staff, the show concept arranged by Steve and Bobbie McMillian treated spectators to a visual, as well as musical, extravaganza.

Amidst applause, the announcer, Bill Gardner, "the voice of Warwick," began the show with his infamous . . . "Here's Warwick!" It started like a Broadway show, with an orchestra warming up and the dancers stretching before their performance. Then on to the first number, "I Am What I Am" and "Cocktail-counterpoint" from the

Tony Award winning "La Cage Aux Folles." Next it was on to "A Piece of Sky" from the movie "Yentl." This was highlighted by an unusual, but exciting swinging ball routine. The show ended with "The Best of Times" topped off with the chorus and La Cage show girls.

This year's band was unusually young with over half the band and front being underclassmen and seventh and eighth graders. The year began slow, and hopes were dim, but with each performance the band improved dramatically and spirits rose. Then, at states, that certain burst of emotion where musicians become performers, the band reached for that illusive "piece of sky" and achieved their highest score of the season by taking second place. The year will be topped off with a trip to Florida in the spring.

What does the future hold for the Warwick High School Band? Only time will tell . . . Be sure to be there!

— Jon Perini

ORCHESTRA PERFORMS AT INNER HARBOR

The Warwick High School Orchestra, under the direction of Mr. Ralph Lehman, performs classical songs to Broadway show tunes. Mrs. Jane Shaeffer is in charge of the string instrument instruction. The orchestra started its annual performances on December 9, 1984 with a combined Christmas concert in May and pit orchestra for the school musical.

This year the orchestra will have a special performance at Inner Harbor, Baltimore on Saturday, May 4, 1985. The orchestra was invited to perform a one-hour concert at the Harbor Place Amphitheater for the public.

Top: First row: Jodi Esbenshade, Glenna Bailey, Marty Blose, Dana Martin, Michelle Canady, Linda Geiger, Lisa Rampulla, Sonya Weber, Tim Hazlett, Matt Weaver; Second row: Michelle Hevener, Jenny Willier, Michelle Oehme, Wendy Kiehl, Heather Auman, Ulrike Schmidt, Becky Ravegum, Jon Perini, Tracy Foltz, Heide Gardner, Sally Gregory, Mandy Nuss, Greg Bailey; Third row: Directors Mr. Lehman and Mrs. Shaeffer, Scott Esbenshade, Pete Ringer, Gary Minnich, John Gaughan, Heather Thompson, Carol Pawling, Chris Nagle, Ruth Marks, Eric Zimmerman, Ken Burkholder, Chip Wachob, Steve Esbenshade, and Kelly Koncle. SPOTLIGHT ON SINGERS!

The 1984-1985 Glee Club, under the direction of June Lantz, began its concert year on December 9, 1984 with the annual Christmas concert featuring the theme, "Christmas in the Old Country." Songs included the traditional "Christmas is Coming," plus songs sung in Spanish, French, Russian, German, and Latin. Featured was a dance to "Christmas in Killarney," by a pair dressed in kilts.

Invited to the annual Festival of Choruses on February 22, 1985 were Manheim Township, Lampeter-Strasburg, and Cedar Crest Choirs. The combined choirs sang "Every Valley" and "America."

Highlighting the year is a trip to Philadelphia during which the Glee Club will sing at a cathedral and tour the historical city.

On January 11 and 12, 1985 the Warwick Chapter of the International Thespian Society presented Neil Simon's most popular comedy, "Barefoot in the Park." The evening was highlighted by numerous trips up five flights (including the stoop) to the tiny apartment which was the setting for the three act play. Through fights, snow fall through the broken sky light, and numerous interruptions by an eccentric old man, a delivery man, and a TV man, the couple managed to keep their love alive. Although the weather was cold and snowy, the audience found their travels rewarded by three hours of non-stop laughter. Officers of the Thespian Society are President, Bill Oehme; Vice President, Spencer Keasey; Secretary, Jennifer Wiley; Treasurer, Jon Perini; and Advisor, Joe Centini.

On May 21, 1984, the National Honor Society inducted six senior and 40 junior members chosen in the areas of character, scholarship, leadership, and service. Newly elected officers were President — Ruth Marks; Vice-President — Cindy Hurst; Treasurer — April Enck; and Secretary — Becky Ravegum. The club, supervised by Mrs. Watkins, was extremely busy this year. Activities included giving a Thanksgiving meal to a needy family, Christmas carolling, working with handicapped children, and sponsoring a Saint Patrick's Day dance. A getting-acquainted day with the exchange students and a Senior Citizens' Tea, as well as several other activities were held. The year concluded with the next induction ceremony.

NATIONAL CLUBS

The Future Farmers of America is the largest youth organization in the United States, preparing its members for the vast field of agriculture which they will encounter throughout life. Membership ranges from Alaska to Puerto Rico. The FFA at Warwick has been growing every year in both membership and participation. Fund Raisers are used to send active members to local country fairs and contests, and state level competition. Highlighting this year was a seven day trip by school van to our national convention in Kansas City, Missouri.

Individual students may select from over twenty-seven areas of interest, ranging from small animals and horses, wildlife conservation, greenhouse management, to tractor safety, welding, and structures, and farm machinery.

The 1984-85 officers are as follows: President, Dan Martin; Vice-President, Dave Firestone; Secretary, Todd Auker; Treasurer, Sean Deemer; Sentinel, Dave Fritz; Reporter, Alex Smith; Chaplin, Mark Pawling; Student advisor, Dan Snaveley; and Advisors Miss Shaner and Mr. Gerber.

The Future Business Leaders of America is a national organization which is preparing members for the growing business world. This year's club increased over 200% with forty members participating. The club invites various speakers, such as people from Centre Business School and Image Improvement, takes field trips, provides Christmas and Thanksgiving dinners to needy families in Lititz, and sponsors the Valentine's Day Teachers' Tea.

Officers for 1984-85 are as follows: President, Jodi Ruhl; Treasurer, Kelli Romascavage; Vice-President, Jackie Heagy; Secretary, Kim Billings; Historian, Linda Kegriss; Social Committee Chairman, Wendy Landis; Reporter, Missy Afford; and Advisor, Mrs. Sload.

Top: Members of FFA: first row: Mark Pawling, Jeff Ruth, Pat Moore, Tina Strauss, and Dave Firestone; second row: Kelly Eckert, Dan Snaveley, Troy Auker, Tim Sweigart and Todd Auker; third row: Advisor Miss Shaner, Sean Deemer, Jon Brindle, Rob Glick, Dave Fritz, and Alex Smith. **Bottom: FBLA Executive Committee:** Missy Afford, Kim Billings, Jackie Heagy, Jodi Ruhl, Linda Kegriss, and Kelli Romascavage.

STUDENT GOVERNMENT

Student Government started its year by writing a new constitution. Student Government is responsible for all class officer elections, Homecoming court elections and festivities, the Christmas Dance, Special Olympics and Senior Citizens' Tea, which is held in cooperation with NHS. Donations were made to the Catholic Relief fund for Ethiopia, the Lititz Library, Roger Matthews, (who acts as Santa while visiting hospitals and nursing homes), and health organizations. The goal for this year is to open a school store.

SHARPENING THE MIND!

1985 Warrian is Published in the Spring

The 1985 Warrian staff, with editor-in-chief, Jodi Myers, had a hectic year getting the yearbook published by May and a supplement with the spring activities for the fall. The staff, consisting of only eighteen members, made many changes including switching to a new publishing company, Herff Jones Yearbooks. Many hours were spent toiling over layout sheets, pictures, and typewriters in order to meet deadlines set by the company. The staff eagerly anticipated the arrival of the completed 1985 Warrian, a product of their hard work. Mrs. Witmyer, as advisor for her second year, spent many hours after 3:00 at school helping the staff.

The yearbook staff is as follows: Editor-in-chief: Jodi Myers; Asst. editor-in-chief and underclassmen editor: Angie Frank; Senior section editors: Michele Shelly and Jill Wozniak; Underclassmen editor: Liz Heckles; Activities editors: Lori Shenk and Jodi Ruhl; Sports editor: Maureen McCaffery; Advertising editors: Judy Garner and Nell Amidon; and other staff members: Toni Herr, Becky Ravegum, Barb Trayer, Julie Turano, Patrice Deeley, Jenny Wiley, Chris Plowfield and Heather Kimball.

The staff would like to thank the numerous persons and groups who helped with the 1985 Warrian. They are as follows: the advertisers, Al (Our yearbook representative), the Heisey Studio, teachers and advisors, Terry (our contract photographer), and everyone else who contributed. Your time was greatly appreciated and invaluable.

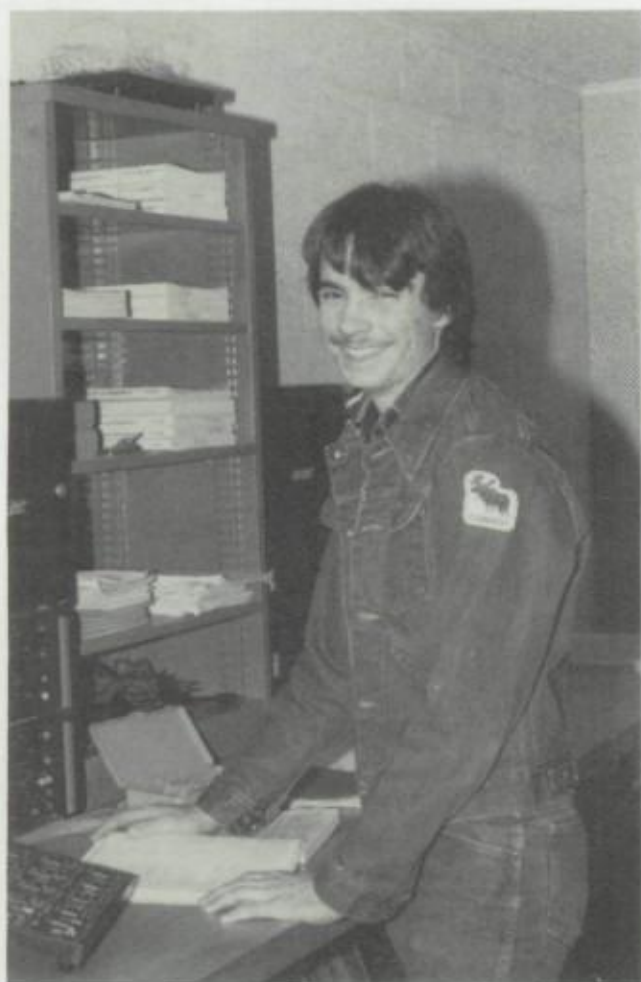

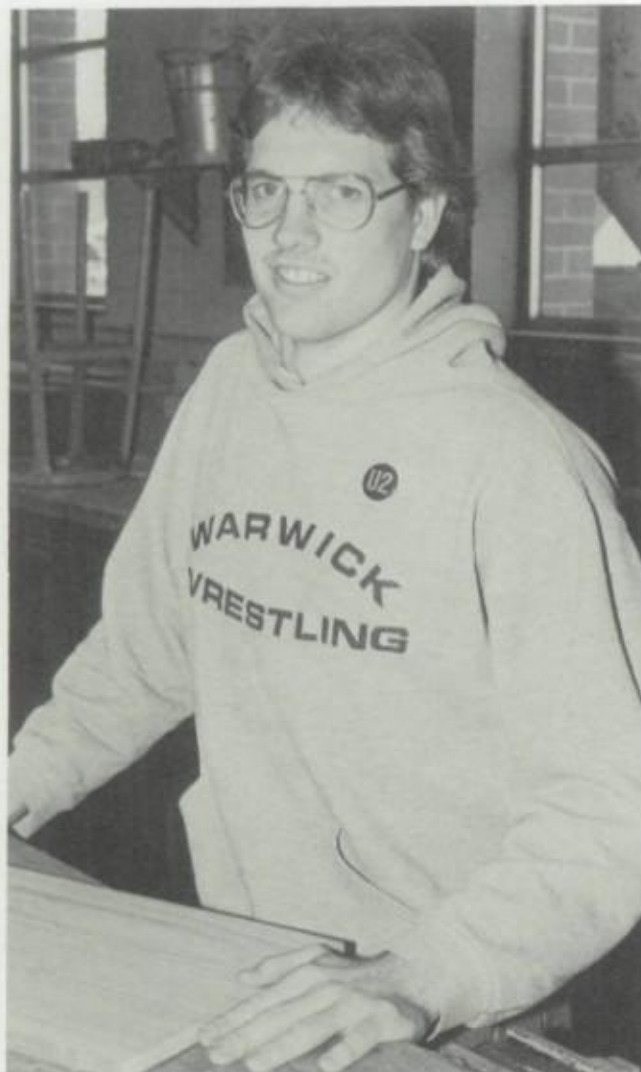

Center left: This is frustrating!!! Bottom right: Patrice helping with the underclassmen section.

SPORTS

1984 WARRIORS HAVE TOP SEASON

The 1984 football season featured everything from glorious victories to heart-breaking defeats for the Warriors. The most glorious victory came on Homecoming Day when league co-champion Penn Manor fell to an inspired Warwick team. It was the only league loss in 1984 for the Comets. The most heartbreaking loss was the season finale when a 3-0 defeat at the hands of an inspired Manheim Central team prevented the Warriors from sharing the league championship with Penn Manor and Conestoga Valley. After an impressive opening non-league win over Lebanon Catholic, the Warriors lost their next three games. Non-league losses to a very talented Hempfield team and archrival Manheim Township were followed by a disappointing loss to Conestoga Valley in the league opener. A field goal with five seconds left in the game was the margin of victory for the Buckskins. A five-game winning streak, all league victories, followed the losing streak as the Warriors emerged as one of the league's better teams. The loss to Central snapped the winning streak. The 1984 varsity football team provided many thrills and lots of excitement. The team also displayed a never-say-die attitude that has become typical of Warwick athletic teams. The twenty-four seniors, who provided the spark and leadership, each contributed greatly to the team's success. They have made a lasting impression on the school's football program and have set a great example for all of those future Warriors who will follow them.

HOCKEY REACHES DISTRICT QUARTERFINALS

The 1984 hockey team improved their mark of last year by finishing with an 8-1-2 record. This was good enough for a second place finish in Section Two of the Lanc.-Leb. Hockey League. The team's success was largely due to the team's desire to play well and willingness to work hard for what they wanted. Much credit needs to be given to a large group of seniors that provided the leadership and guidance to guide this team to another play-off berth. This year the team wrote another page in Warwick Hockey history by winning their first district game and qualifying for the district quarterfinals. Also, Michelle Hershey and Krista Weit were named to the All-Star Team. The 1984 hockey team, and especially the seniors, can be very proud of their accomplishments. — Coach Derr

FIRST YEAR FOR VARSITY SOCCER

Despite having played a full season without a victory, Warwick, in its first year of varsity soccer, improved dramatically throughout the season. Tim Hazlett played outstandingly in the goal making numerous saves in the majority of the games. Good news for the young Warriors, Hazlett will be back next year.

Warwick played many underclassmen in its first varsity season, suffering some lopsided defeats; however, with many players returning next season, the team should be much improved. Eric Flickinger, Buck Hartzell, Mark Reedy, Doug Steinhauer, Cliff Eberly, and Tim Hazlett all played very well for the young Warriors in their first season. — Coach Parke

SUCCESSFUL SEASON FOR GIRLS' TENNIS

The 1984 Girl's Tennis team was quite successful with a league record of 8-1 an overall record of 10-3. The seniors provided great support for the many underclassmen on the team. The top five players, all underclassmen, led the team to a very fine season. The tennis team should be proud of its accomplishments and be looking forward to next year's season with the return of all the top players.

CROSS COUNTRY IS RUNNING STRONG

The 1984 cross country runners had a tough season with a record of 13-7. Drew Pierce led the team as top runner all season with strong showings at both the county and district meets. This year was considered as a year for regrouping by the team members, with all of them lowering their times and building for coming years. The seniors, Bill Nixdorf, Greg Winters, Drew Pierce, and Tim Weaver, will be missed next year, but the many returning underclassmen, including Jeff Binzen and Chris Burns, will provide a strong team.

The 1984 golfers had a very successful season by finishing second in the league with a record of 8-2. Todd Fink holds the best score of the season, a 75. He also qualified for the District 3 Tournament. The entire team played well despite lack of varsity experience. Next year's season looks promising with many varsity players returning and some good players from the junior varsity. All of the players should be proud of their performance.

COURTMEN CAPTURE SECTION TITLE

This year was one of the most successful ones ever for boys' basketball. The varsity team, undefeated in the league, captured their second Section II title and narrowly missed the Lancaster-Lebanon League title by a loss to Lebanon. In addition, they claimed first place at the Warwick Christmas Tournament. Heading into the district playoffs to defend their title, the squad was seeded as the team to beat and was also ranked fourth in the state. Any further achievements will be reported in the spring supplement.

The JV team also played an excellent season this year. They were undefeated in league play and finished the season on top. Many congratulations are due for our outstanding basketball players. We are very proud of you all. Everyone should keep their eyes open for upcoming winning seasons.

GIRLS FINISH THIRD IN SECTION

The varsity team put up a strong showing this year with much support from co-captains Ruth Marks and Karen Garvey. With the help of many talented players, the team has compiled an overall record of 16-6. They also captured the second place trophy at both the Palmyra and Warwick Christmas Tournaments. All should be proud of the fine season and be watching for next year's team with the many returning underclassmen.

The JV squad made Warwick history this year. They had an undefeated season which is unprecedented by any girls' basketball team. The JV have 32 straight wins overall and 38 in league play; the most ever at Warwick. Our JV players should be congratulated on their fine performance. Next year's teams should play another great season.

WARRIORS REIGN FOR A DECADE!

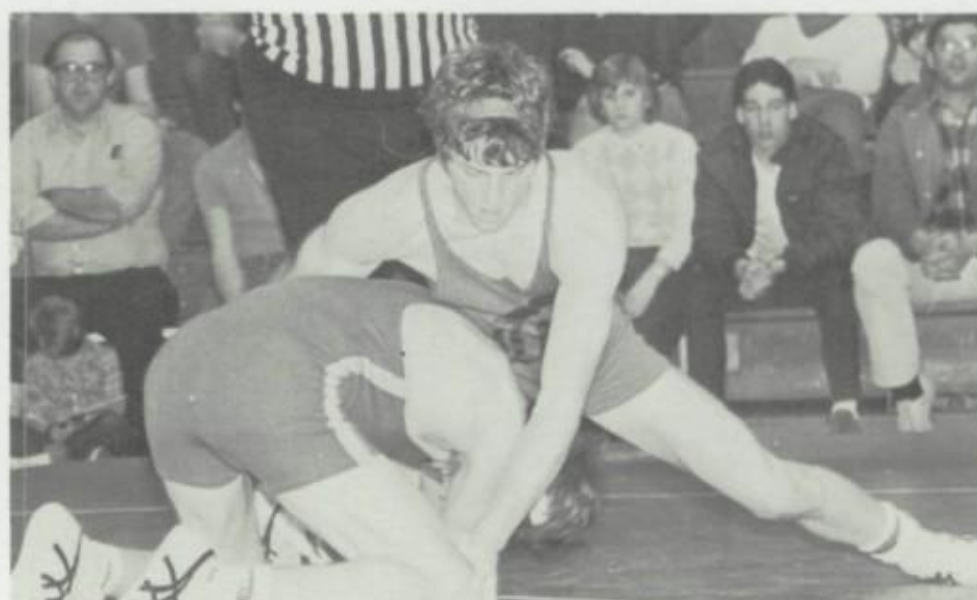

The Warwick wrestling team made history by winning the Lancaster-Lebanon League title with a perfect 10-0 record. With this championship, the wrestlers have now won the title for ten straight years. During those ten years the wrestling team has compiled an overall record of 137-11-2.

This year's team also won the class AAA Sectional Tournament beating out nine other teams for the title. Todd Hazlett (126), Tim Weaver (138), and Scott Newcomer (H.W.) won individual titles. Dan Waltz (185) finished second, and Don Landis (155) and Doug Williams (145) placed third.

This year's team was led by senior co-captains: Todd Hazlett, Tim Weaver, Don Landis, and Dan Waltz.

Special award winners this year were: Most Takedowns — Dan Waltz, Most Pins — Tim Weaver, Fastest Pin — Scott Newcomer, Most Improved — Doug Williams, and Most Team Points — Tim Weaver and Scott Newcomer.

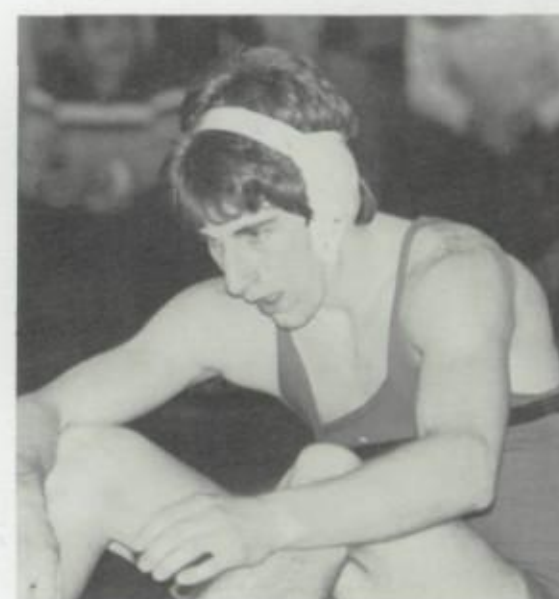

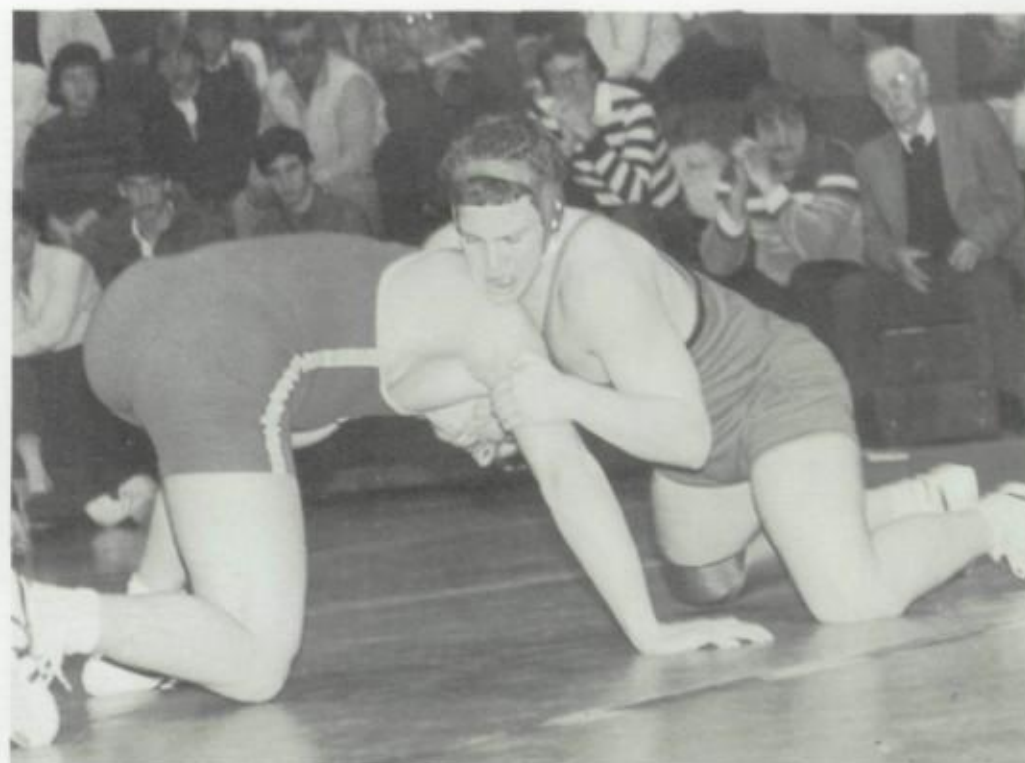

— Coach McDonald

... AT ITS BEST!

The theme of the 1985 Tournament of Roses Parade was "the Spirit of America." Each float was beautiful, uniquely different and very colorful. The "Spirit of Warwick" is of course not found on Colorado Blvd. in Pasadena, CA, but rather in a select group of young ladies who can be found making a sign, decorating a locker, working hard at practice or cheering at an athletic event. Each one of the cheerleading squads I have coached over the past five years has been like one of those Rose Parade floats with this year's squads being no exception. All three squads — Soccer/Girls Basketball, JV, and Varsity have been kept busy by having a successful in-school Homecoming Pep Rally in the fall and of course cheering for Warwick's extremely successful winter teams.

The Warwick cheerleaders are a unique group of young ladies; their personalities are all very colorful, and they have given me some beautiful memories. I will miss being a part of this Spirit of Warwick.

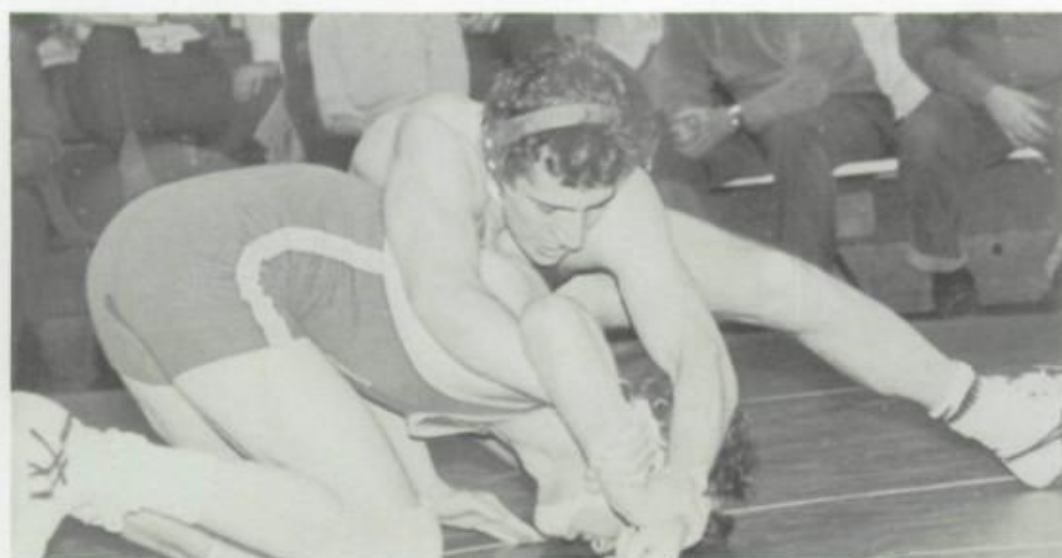

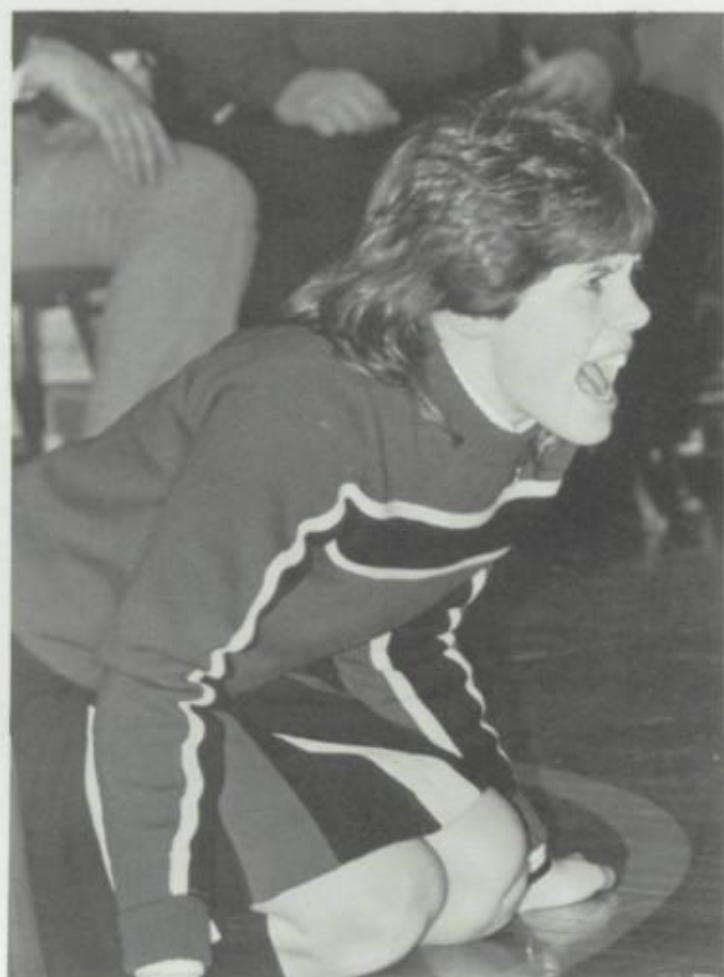

— Coach Becky Hershey

Every serious athlete knows that excellence comes only as the result of determination and commitment, that it must be sought every day, and that there is no time off without loss.

We all do well to follow the example of these dedicated individuals. At Commonwealth National Bank we value such determination, and we strive to make it part of our uncommon commitment to best meet the financial needs of south central Pennsylvanians.

As editor of the **1985 Warrian**, I would like to thank everyone who helped in the production of this book. The year began in middle August with a workshop. Many people and hours have been involved to date to create for you a quality yearbook. Our new features this year include: our own cover design, spring delivery with a fall supplement, spot color section, current events, and fabulous fads. We are also pleased we have carried our theme "Picture this . . ." throughout the book. I hope you have enjoyed the book as much as we have enjoyed creating it. A special thank you to advisor Mrs. Witmyer, and hard-working editors Jill Wozniak, Michele Shelly, Angie Frank, Liz Heckles, Lori Shenk, Jodi Ruhl, Maureen McCaffery, Nell Amidon, and Judy Garner as well as the Heisey Studio and Al Oussoren, our Herff-Jones representative.

— Jodi Myers
1985 Editor-in-Chief

REMEMBER . . .

. . . Marilyn Joy Mellinger

Sorrow mixed with joy — that phrase may best describe our remembrance of Marilyn. On May 13, in the midst of our final days at Warwick, Marilyn was taken in a tragic car accident. We have pain in Marilyn's leaving, but joy in our everlasting memory of her. The memories of Marilyn are those of a bright smile, outgoing personality, and neat appearance. Knowing God would comfort her, she was not afraid to face the trials of everyday life and always concentrated on the good times. Marilyn felt secure about her relationship with God, and was ready to accept his calling. We should use her life as an example for ourselves and live life to the fullest as she did.

There comes a time
When we lose that special some-
one,
But she'll be deep in our hearts
As we live our lives through.

We'll cherish the warmth,
The friendship, the love,
And we'll miss her often
As she travels to the most beauti-
ful place of all.

We may not be able to bring her
back,
But her memory will always be
cherished.
It's hard to accept her leaving,
But we'll never say good-bye!

No one will ever replace her,
For she's one of a kind,
And, for the Class of "85",
We wish happiness to all, and for
all, eternal life!

— A Friend.

. . . Mr. Stanley C. Schoenberger and Mr. Carl B. Kaufman

Science students for twenty-nine years remember Stanley Schoenberger. His last year at Warwick before retirement being 1985, the Warrian is proud to remember his achievements and efforts throughout the years. He served as coach for the football team for several years, helped start the wrestling squad, and was department head for many years as well. Schoenberger's dedication to the science field puts him on top as a member of the Warwick teaching staff. He promoted excellence in both athletics and academics. The Warrian wishes him complete happiness in his retirement years.

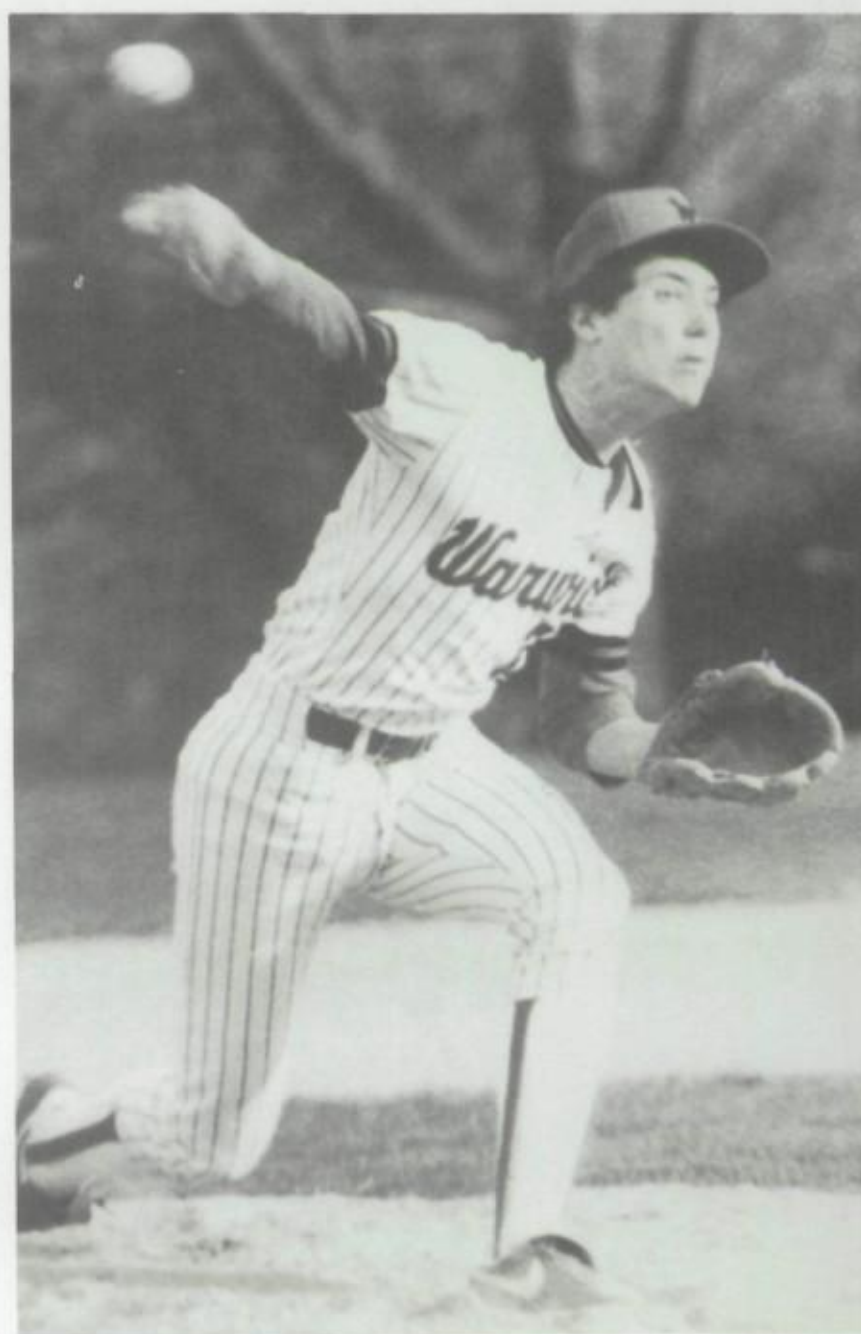

All students of Warwick High throughout the years remember Carl Kaufman. Although many remember awaiting discipline, many also remember the slight smile and nod of approval. Kaufman's years at Warwick began in 1956, when he headed the English department. Most of his years, however he filled the position of Assistant Principal. Kaufman was an asset to the school, starting many special programs, some of which included the club program, the district newsletter, and the back-to-school night for parents. The Warrian thanks him for his dedication and wishes him the best of luck for his retirement years.

BASEBALL HAS STRONG SEASON

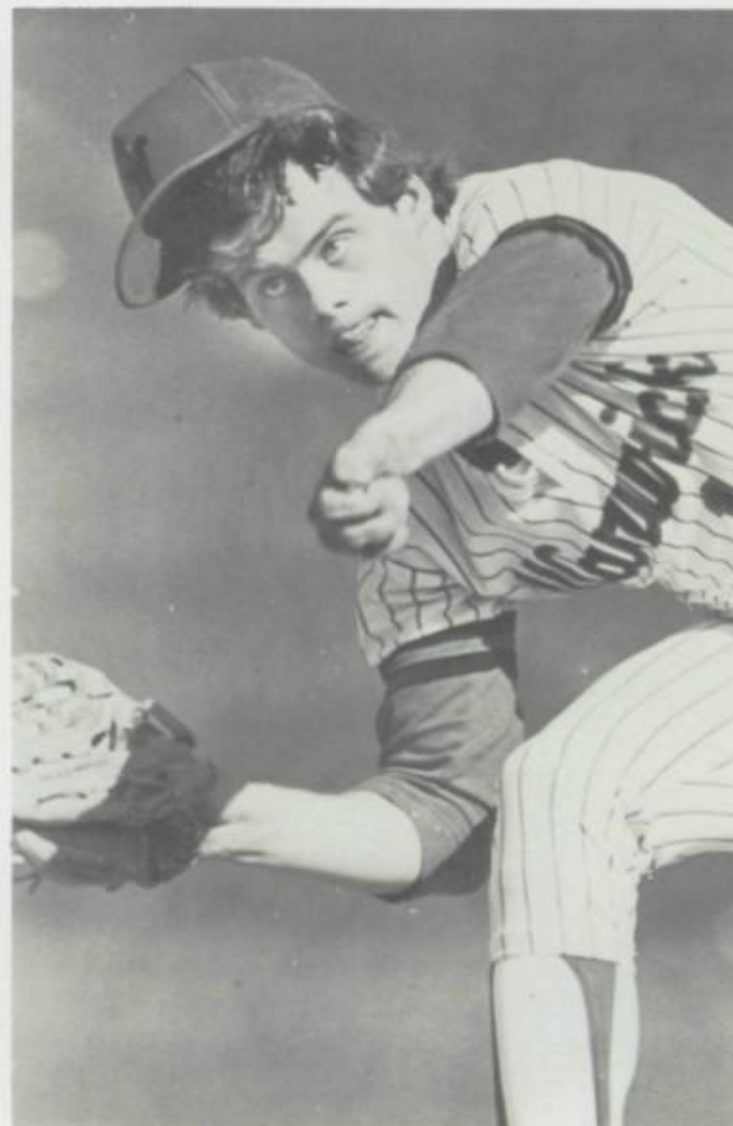

Having a league record of 9-7, an overall record of 11-8, and only three returning lettermen, the 1985 baseball team put on a fine showing. Seniors Pat Scott, Dirk Freeseaman, and Bill Sherriff led the team well as tri-captains. A few players even left their marks in the record books by the end of the season. Senior pitcher Bill Sherriff hurled fourteen strike-outs against Ephrata for a record number of strike-outs in a game. Junior pitcher Harley Greenway set the new standard for strike-outs in a season with fifty. Sophomore Tom Eberly recorded the highest batting average during a season, with at least fifty times at bat, with a .412. Next year's team will suffer the loss of only three seniors and will see the return of many lettermen. A promising future awaits our warriors of the diamond.

The 1985 softball year turned out to be a very successful one. Both varsity and junior varsity teams came out of their seasons with winning records. Though varsity did not repeat last years' finish by qualifying for districts, everyone on the team should feel proud of their accomplishments this past season.

The graduating seniors will be greatly missed in 1986. They are: pitcher Wendy Minnich, outfielders Jodi and Juli Long, shortstop Ruth Marks, pitcher Kathy Lape, second baseman Carolyn Hess, outfielder Tina Strauss, and first baseman Bev Tyson. Congratulations on your fine senior year!

BOYS TRACK HAS BEST SEASON EVER

The 1985 Boys Track Team finished its best season to date with an 11-1 record. This Warwick-Spirited track team was dominated by the seniors who provided leadership both on and off the track. Two of these leaders and co-captains were Keith Ressler and Drew Pierce. This year's team won Warwick's third consecutive Section II Title. Along with it, this exuberant team has won 19 league meets in a row. During this season, the team averaged 98.7 points. Previous school records were broken in the 800 meter run with a time of 1:58.3 by Drew Pierce, 110 high hurdles with a time of 15.0 and the 300 intermediate hurdles in 39.63 both by Mark Wood, and the 400 relay with a time of 44.9 by Ron Wood, J.R. Zartman, Mohammed Baoueb, and Blake Bender. Also the team's top scorer, Mark Wood, placed fifth in Districts in the 300 intermediate hurdles.

Top — 1985 Boys Track Team — Front Row: Chris Knight, Mike Kolda, Mohammed Baoueb, Tim Weaver, Lance Wagner, Keith Ressler, Bill Nixdorf, Jeff Martin; **Second Row:** Scott Koring, Steve Mowrer, J.R. GIRLS' TRACK TAKES SECOND

Under co-captains Cindy Kurtz and Maureen McCaffery, the only returning senior veterans, the girls' track team fared well this year. Compiling a league record of 5-1, they finished second in Section II. New records were set by Angie Forry in the 100m hurdles (tied), by Pam Snavely in the 1600m and 3200m, and by Sue Baker in the shotput. The team entered many competitors in the League meet with five athletes winning medals. The 4x100m relay (Heather McCloud, Jill Althouse, Kim Buckwalter, and Anne Swan) placed fifth, and Maureen McCaffery placed fourth in the triple jump. Moving on to Districts, quite a few team members qualified for the meet at Shippensburg. Kim Kometa competed in the high jump, Angie Forry vied in the hurdles, and Pam Snavely ran in the 3200m. Heather McCloud ran the 200m, Jill Althouse ran the 100m, and both ran with their counterparts in the 4x100m relay as "The Blur." Unfortunately, none of the warriorettes placed at the District meet, but even so, the whole team should be commended for their overall record of 8-4. The abundance of returning underclassmen should help inspire next year's team to another great season.

The 1984-85 boys' tennis season ranks as one of the finest, if not the best, in Warwick tennis history. Sophomores Kyle Hawthorne and Brad Zechman led the team again by playing #1 and #2 respectively. Senior Chad Walter played #3 above junior Doug Steinhauer, while senior Brian Nicarry held down the #5 spot. The Warrior netmen swept to the Section I title with a record of 8-0. In the process, they compiled a singles record of 40-0. The Section I title was their fourth in the last eight years and their second in a row. The Warriors then met Section II champions, Hempfield, for the League Championship. Warwick got singles victories from Kyle Hawthorne, Brad Zechman, and Doug Steinhauer. An additional doubles victory by Hawthorne and Zechman clinched the League Championship Match, 4-2. Furthermore, Warwick had the League Singles Champion, Kyle Hawthorne, who won his second consecutive League singles crown. Hawthorne and Zechman moved on to the District Singles Tournament where they both advanced to the quarterfinals before losing. They then teamed up for doubles and came back to win the District Doubles Championship. In so doing, they amassed enough points to give Warwick the District III Team Championship — our first ever! It was then on to the State Tournament at Bloomsburg where Hawthorne and Zechman took the fourth place medal in doubles. A great ending to a great season, finishing with a record of 14-1. — Coach Wanner

WINTER UPDATE

Brenda Sipe

A mixup between the yearbook staff and Heisey Studios caused Brenda Sipe's picture to be involuntarily excluded from the yearbook. We offer our apologies and have included her picture at her request.

Because of our early deadline during the winter, some sports and miscellaneous news was not reported in the yearbook. This article will update all achievements not previously covered.

Boys Basketball — The squad entered the district playoffs strongly with wins over Greencastle and York Central, but they then fell to York Suburban and East Pennsboro. Earning a place in state playoffs, the Warriors went up against Montoursville but suffered defeat. Ending on a good note, both Lance Wagner and Dennis Hurd were named to the LL all-star team, while Hurd also made the District 3 all-tournament squad.

Girls Basketball — The girls went to district playoffs and fought to a third place finish, a first for Warwick girls teams. Continuing to rewrite the history books, the squad earned a place in the State Tournament. Playing their way to the Eastern State final, the team was voted among the top five in the state. A fine finish for our women of the court.

Wrestling — The only Warwick grappler to place in the District Tournament was Tim Weaver. He wrestled his way to a second place medal.

Music — Eric Zimmerman played his trumpet to earn a spot in Regional Band. On a more classical note, Kelly Koncle achieved places in the Regional and State Orchestras with her string bass. Both should be congratulated for their fine performances.

THE CAMERA ROLLS ON THE

It's the biggest musical production of the year! The spring musical, "Bye Bye Birdie", was presented on the evenings of March 28th, 29th and 30th. Warwick's unique version of the comedy, set in the 1950's, involved weeks of hard work by the music, art and stage departments. For each area it is a major undertaking. Audiences watching the show, (many of them from the 50's generation themselves) heartily enjoyed the cast's portrayal of that era. Providing authentic costumes from their own attics, the cast enthusiastically adopted the look. Rock star Conrad Birdie, portrayed by Bill Oehme, showed off a flashy gold jumpsuit, while his fans, dressed in poodle skirts, bobbysocks, and scarves, leaped wildly and screamed after him. Lauren Loercher put her singing and dancing skills to good use in the song and dance, "Spanish Rose," as did Spencer Keasey while telling the Sad Girl to "Put on a Happy Face." Jon Perini, Mandy Nuss, Gretchen Rhoads, and Kevin Dodge skillfully portrayed the typical American family, the McAfees. The memories created during the practice and performance of this musical will last a lifetime.

CATCH THE EXCITEMENT,

Picture this . . . Expensive equipment crowds the stage, the spotlights are set, rock music fills the air, and an expectant, noisy crowd files into the auditorium. It sounds like a professional rock concert. The 1985 Talent show, emceed by Bill Oehme and Drew Pierce, can go on the record books as the best in Warwick High's history. Numerous bands and soloists performed original numbers, as well as songs recorded by the best in secular and Christian music. One livelier act had its classmates rolling in the aisles as scantily-clad wrestlers and flashy managers performed their own version of "Hulkmania".

Top Left: Donna Groff & Spencer Keasey; **Top Right:** Erik Schouten; **Middle left:** Alison Bradley; **Center:** Trevor Hackman & Dan Waltz; **Middle right:** Bea Greiner; **Bottom left:** Kelly Longenecker; **Bottom Center:** Lisa Parson; **Bottom Right:** Randy Butson.

AND THE TALENT!

Each number had its individual specialty. At one point in the show, a thick cloud of smoke accompanied the scream of the band. A number of talented singers surprised classmates into saying, "I didn't know she could sing like that!" All in all, the 1985 Talent Show contained quality acts.

Quality was also in the spotlight during the Student Expo. Warwick honors its students each year by having them display their areas of involvement. The displays included a computer demonstration, Vo-Ag animals, baked goods, sewing, wood, metal, and art projects. With all the hard work that goes into these areas, plus a whole lot more, each student deserves to have his work admired by friends, family, and the community.

MAKING THE SCENE

It is twelve fifteen, May 30, 1985. All chaos breaks loose as juniors and seniors explode from behind teacher-guarded doors. The upperclassmen are finally set free from the boredom and suppressed excitement that accompanies the day of the prom.

The yearly tradition of parading the cars around the school, making as much noise as is humanly possible, has begun, during which studious freshmen and sophomores struggle through final exams.

The preparation for the social highlight of the year began weeks, even months ago. The juniors, knowing that the prom is quite a financial undertaking, budgeted and planned fund-raisers. Individual juniors and seniors did the same with their own finances, saving (or having parents shell out cash) to get that alluring white satin gown and the perfectly tailored grey tux. And, of course, having the perfect date for the most important social event of the year ranked high on the list of things to do.

When the day finally arrived, the gals rushed to Hairloom Designs to have nails and hair done to achieve a look of sophistication. Guys hurried to Formal Affairs to pick up the tux, and to Hendrick's Flower Shop for the traditional corsage. Both needed hours to prepare for the big night.

IN THE OLD WEST

When the couples arrived at the Treadway Resort Inn, (after numerous pictures for his parents, her parents, his grandparents, and hers!) they greeted the other couples, somewhat amazed that their usually jean-clad classmates could look so good! It was truly an evening to behold!

After a delicious meal of Chicken Cordon Bleu, the tables were cleared to prepare the dance floor. Couples danced the night away, venturing often to the refreshment bar and into the cool night to escape the heat of the dance floor. The all important walk of the senior girls, during which the judging for the Prom Queen occurred, happened early in the evening. Although the decision was a tough one, with all the beautiful young ladies of the senior class, Lisa Nicksic was finally pronounced Prom Queen. She, with her escort, Sherman Kohler, led the couples into a romantic dance.

At eleven, when the formalities at the Treadway were concluded, couples ventured to the post prom, where ambitious juniors spent hours decorating the gym and cafeteria areas as from the Old West. Casino tables, an authentic-looking bar, and videos kept the couples busy for the rest of the morning. It is five-thirty, June 1, 1985. All is quiet at Warwick High.

Opposite Page: Top: Prom Queen, Lisa Nicksic and her date, Sherm Kohler lead a slow dance after her crowning; **Bottom Left:** Junior Class Officers, Scott Deisley and Marc Flickinger both know they're dashing handsome as they reveal the 1985 Prom Queen; **Bottom Right:** Old West dames try a little charm for the camera. NHS INDUCTION CEREMONY

On the evening of May 20, 1985, the National Honor Society held an induction ceremony for ten seniors and twenty-nine juniors. Four of the present members of NHS spoke on the qualifications one must meet to be elected into the National Honor Society. The speakers included Joe Weinlick, who spoke on scholarship; Cindy Hurst, who spoke on leadership; April Enck, who spoke on character; and Becky Ravegum, who addressed on service. The thirty-nine newly elected members were escorted by present members to the front of the cafeteria where they were inducted. The new members, holding lighted candles, recited the NHS pledge in the presence of their parents, friends, teachers, and administration. The evening concluded with a reception for members and their guests.

my

Kevin,

To a great person and friend
and a supposedly good tennis
player (just Kidding). Have a great
summer, doing everything. Hope
to see you next year in
school.

CLIFF

Kevin,

It was nice to meet you. This year has been quite an experience all the things we went through: Glee Club, Show Choir, Ben, Honors Choir (Ssst!), Band-Chorus (The Best of Times - much!), Lisa, the Twinkie woman, Carol and Chris, freezing cold bands comp. (more to come, fun, fun, fun), Shawn, and all other creatures great and small. When I think of all the things we've had to put up with, I start to laugh, but I also realize that we have more ahead of us: County & District Chorus try-outs, Band (& more freezing comps & parades), Lisa, Bmf band camp, Mrs. Rippart (We've got to think of another derogatory name!) - (I'm sure Shawn will think of one.), you ^{may} have to worry about Mr. Blase (the donut man), & Mr. Welch (Mr. Crude) - you'll understand next year - we both have to worry about Big Mac (a term of endearment, much, for Mr. MacMillan during marching band season), and everyone has to worry about next year's freshmen class! Hopefully; however, next year will be a blast.

It better be! I'm going to be a senior!

And, as a senior to a sophomore (how does it sound), here's some advice, don't get to big-headed or snobbish, try to be modest, & you'll succeed w/ your own kind, good personality. If you do become a snob you'll end up like Ben!

Good Luck,
Ken H.
'86

It's just things we have to deal with. I'm not going to be a snob, but I'm not going to be a loser either. I'm just going to be a senior.

[illegible]
